

FLORENCE'S
RESORT

FREETOWN

Welcome to our Seafood & Italian Restaurant
Enjoy your stay!

On **weekends**, customers are strongly encouraged to book a reservation and pre-order, to avoid the risk of a long (long) wait, or to find many dishes unavailable

In general, to avoid waiting time, it is best to call in advance for all shellfish dishes, as the preparation of these normally can take more than 30 to 45 minutes. Thank you!

Please be aware that, according to the season, some prices and availability might change. We thank and appreciate your understanding.
